Welcome to Paradise! We are so doggone happy that you've joined us!

We would love to announce your new position internally to the entire Pet Paradise team. To do so, we encourage you to fill out this questionnaire so we can write a very brief bio for our internal website, The Park.

You may find some of these questions redundant, but we hope you will take a few minutes to help us create a bio that is reflective of who you are as a person, pet lover and team member. All information is optional, and not all information will be used.

Please fill out and return with a scanned photo of yourself and check regularly to see if you can find yourself in The Park. You will have access to The Park during your first week.
